Rachel,

Thanks for digging up these documents. I don't think I have access rights to what you've put on the OneDrive, so maybe the CD ROM is the best way to let me have them? Please let me know and I'll come to pick them up as soon as I can.

So why do you think these two papers are so difficult to find and transmit? Do you have any idea what's going on here?

Do you have any thoughts on this?

Thank you very much,

Hello Andrew,

After some digging, we were able to locate the two studies you requested by M.C. Haas. The documents were too large to send via ILLiad or email, so I have attempted to share them via the OneDrive. Please confirm if you are able to open/view the documents. If not, I will make a copy of the CD ROM for you to pick up.

Thanks and please let me know if you have any questions at all!

Sincerely,
Rachel
